

TALL POPPIES is a top Auckland Covers Band who stand out above others because of their incredibly diverse Song List.

They have male and female vocalists with the whole band singing backing vocals and harmonies.

They provide an exciting LIVE band atmosphere with guitar / synth, drums and bass. No backing tracks that defeat the whole purpose of hiring a 'Live' band!

TALL POPPIES plays all the favourite hits from the 70s, 80s, 90s and the latest, including Rock, Pop, Reggae, Disco and even some Rock n Roll!

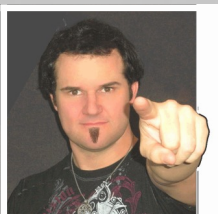

You may have seen them playing at Sky City, Cock n Bull (Ellerslie), The Carlton, R'Totos, Reef Bar, The Copper Room, The Crib and other popular venues around the 'City of Sails'.

If you were in Mt Maunganui for the millennium New Year's Eve celebration, you would have seen them on the huge outdoor stage, as the main band playing to a crowd of over 30 000! They were then invited back there for New Year's Eve 2001, playing to 35 000. The crowd was so huge that there was a riot that year! They also played twice for the Whangamata New Year's Eve concerts. Still being as popular as ever, they were invited back to Mt Maunganui for New Year's Eve 2008!

TALL POPPIES are in hot demand for Corporate Functions and Balls. They've played for clients such as Warehouse Stationery, ASB, BECA, Auckland and Massey Universities, Kids Can Trust, St Cuthberts College, PriceCoopersWaterhouse, Fletcher Construction and Tourism NZ, to mention only a few.
